

KODG NEWS

October 2023

KODG Parents and Caregivers,

It has been so wonderful working with all of our KODG Kids again and getting to know our new kiddos! This is going to be an amazing season and the excitement on their faces when they are coming and going is heartwarming for our entire staff!

I would like to thank you all for your patience with our new computer system, we're working hard for you to get all kinks out.

Please reach out if at any time throughout the season you have any questions, comments or concerns as we are always here to answer any of your needs.

Thank you for choosing Kaleidoscope!

The full KODG 2022-23 Calendar is also attached to this email.

Fire Safety Week

October 10-16

This week class lesson plans will include emergency and evacuation procedures of the KODG building.

Parents, if teachers ever need to evacuate students, please go to the "Fire Pole" at the back of the parking lot first to inform staff before you take your child. We want to be sure we have all children accounted for in the event of a real emergency.

Scan QR code for Home Safety Tips & Kids Activities

Parking Lot

Dismissal - Parents please come to the staircase and walk your child through the parking lot for safety.

Traffic Pattern - When exiting the parking lot, please continue in the counter clockwise pattern. Traffic should only be going in one direction for the safety of all.

Thank you!

Costume Closet Sale

Starting Monday Oct. 10th, we will be having our annual costume closet sale. Think Halloween costumes and dress up boxes! All costumes are \$10. each!

Halloween Spirit Week

Oct. 24-30

All students are invited to dress up or wear their Halloween costume to class. Costumes should be appropriate for class and have a leotard worn underneath. Please no face makeup in the gym.

Closed Lobby

Just a reminder that our lobby is closed for viewing for all classes. The decision to keep our lobby closed following Covid was not taken lightly. We weighed out the factors and believe that this is the best option for our students. The children have gained independence, do not come out of class, and are better focused without any distractions.

Students in the Toddler and Preschool classes are permitted **ONE** adult in the building (this policy will be enforced as of Monday Oct. 3)

With that being said, our lobby is open for parents to come in and ask questions or talk to office staff.

KODG Gives Back

On Sept. 23rd Miss Michelle presented a check for \$1700.00 to the **Caitlin Clavette Foundation**. A huge shout to all the donations that came from last season's GymFest!

Thank you to all who supported our first Alex's Lemonade Stand. KODG parent, Lindsay Wolfe will be running the New York Marathon for **#TeddiesTribe**
