

## Welcome KODG families to our 2021-2022 Season!

We want to thank you all for your continued support and understanding during the past 30 seasons. All of us at KODG are looking forward to an exciting , successful 31st season.

Our summer was amazing at KODG! Our Competitive Dance Team competed at Diva Nationals and brought home many high scores and top awards. We are so proud! Our summer camps and classes were filled with talented students who brought laughter, energy and creativity to KODG.

- **What's new?** - We have added to our Staff! Please welcome: our former KODG alumni :
  - Nicole Pruchnik - Gymnastics Coach (KODG alumni)
  - Gabby McCarthy -Gymnastics Coach (KODG alumni)
  - Hailey Garrity - Dance Instructor (KODG alumni)
  - Tammy Perry- Front Desk Receptionist

We are sad to report that Miss Tammy has decided to take a break from coaching gymnastics this fall. We know she is loved by all and we will miss her in our classes.

- **PRO SHOP IS NOW OPEN!** The Pro Shop is now open during our regular business hours. Please stop by and check out our new merchandise, pick out a new gymnastics leotard and order your dance shoes. You can check out your child's required dress code by visiting our website at [www.kodg.com](http://www.kodg.com).
- **Our 2020-21 Season runs September 8th - June 18th.** Tuition is due the 1st of each month October-June. Tuition payments along with any other outstanding charges will be automatically charged to the card on file you provided at the time of enrollment. Late fees will apply if payment is not

collected by the 10th of the month. Please make sure payment information is current to avoid additional fees.

- **Attendance** - We ask that you make every effort to attend class and arrive on time.. Attending class is important for the building blocks of skills, technique and choreography. Warm ups are vital to help avoid injury and late arrivals are distracting to the teacher and other students.
- **Class withdrawal** - Please contact the Front Office via email [info@kodg.com](mailto:info@kodg.com) if your child will not be continuing their classes for the following month. If your student does not wish to continue with his or her classes the following month you must submit an email withdrawal no later than the 15th of the current month. If an email withdrawal is not received you will be responsible for the entire month's tuition.
- **Weather Related Closures** will be communicated via email. We will also update our facebook and instagram pages if we have to close for any reason. Please make sure we have a current email on file and be sure to like us on facebook and instagram! KODG follows the Wareham Public Schools. If they are closed, we are too! If there is a delay, we will be closed for all scheduled classes before 3:00.
- **Holiday Closings**- Please refer to our Calendar on the website for details.
- **Refer a friend** - If you refer a friend that has never taken classes at KODG and they sign up, you will receive a coupon for \$10.00 in KODG Cash for our Pro Shop. If you have any questions, please see the front desk.
- **COVID 19 PROCEDURES** -
  - **Masks** - Masks are required by anyone entering the building( except children under 3). To provide the utmost safety for all, no masks with vent shields or gaiters will be allowed.
  - **Lobby** - The lobby will continue to be closed to spectators with the exception of the Preschoolers 4 and under classes. We ask that only one parent accompany them to class. All students in 5 & up classes will be in

the building unaccompanied by a parent. The Pro shop and front desk will be open. Please feel free to come into the building to assist your children, ask questions or visit our Pro Shop.

- Due to COVID-19 regulations we are **NOT** able to offer makeup classes this season. If you are having trouble attending your scheduled class, please contact the front office to see if there is a class available that will work better with your schedule. We are happy to help!
- Updates - We will closely monitor and update our procedures based on the recommendations of the school systems and the CDC. This continues to be a fluid situation and we appreciate your continued patience and understanding as we navigate through the changing rules and regulations.

- **ZOOM OBSERVATION-** You will be able to observe your child's first day of classes via Zoom. Please follow the links below:
